Terrace Heights (Edmonton), Edmonton, AB

This beloved family home has been carefully maintained over the years. With almost 1300 sf on the main floor, this house has an appealing mid-century modern feel. The huge living room has a massive southeast window overlooking green space. The primary bedroom offers a 2-piece ensuite, a nice "extra" for this era of home, and ample closet space. With a total of 3 large bedrooms and 2 full baths, this home is ideal for a young family, professional couple or empty nesters. There's even main floor laundry! Downstairs you'll find a large rec room and cool 60's wet bar! Plus there's loads of storage space, including a huge cold room originally built as a bomb shelter, now better suited to wine and Christmas trees. More storage is available in the oversized single attached garage and the garden shed. The location is ideal. There's a library and vet office within blocks, plus Safeway, Shoppers Drug Mart and more nearby at Capilano Mall. BONUS: Furnace and HWT were replaced in 2022 & windows are newer!
